Pesty Panko Cheesy Chicken Rolls

Instructions:

Preheat the oven to 350 degrees. Mix 1 tablespoon of pesto with the mayonnaise and set aside. Divide the remaining pesto equally between the four chicken breasts. Top with mushrooms and cheese. Roll up tightly and secure with toothpicks. Cover the outside of each chicken breast with mayonnaise mixture, then roll in bread crumbs. Place on an ungreased baking sheet with a rim so the juices don't overflow. Bake until done, about 40-50 minutes.
